SPA-HOW-TO-DO

Even the most experienced spa enthusiast may just occasionally question what to do when faced with a new spa or a new treatment. The following small introduction is provided so that you can fully relax and get the most out of your spa experience.

Reservations

We encourage our guests to schedule their appointments in advance to ensure that the preferred treatment and time is available. Same day bookings and walk-in appointments are always welcome, based on our availability.

Arriving for your treatment

We suggest that you arrive 10 to 15 minutes prior to your spa appointment - to relax and be unstressed is the best preparation for a wonderful spa experience.

Age Requirement

The minimum age we accept for spa treatments is 16 years.

Water

It is recommended to drink a glass of water or a cup of herbal tea before and after your treatment. Avoid eating immediately before. Alcohol should be avoided before and immediately after your spa experience.

Valuables

Please leave your valuables in the safety of your villa whilst you are at the spa. The spa will not be responsible for lost, stolen or misplaced personal items.

Phones

The spa environment is supposed to be a stress-reducing, tranquil experience, so turn your phone off before entering the spa or leave it in your room.

Smoking

Spa is healthy - smoking is not. Kindly do not to smoke in the spa.

What to Wear

Please wear simple and loose clothes when you come to the spa as we recommend that you leave the oil on your skin for a while after the treatment to let it be absorbed. Alternatively, all spa treatment rooms are equipped with shower so you can wash before and after the treatment.

Getting Naked

All spa treatments are taken without clothes as the oils and creams used would otherwise stain your clothes. We will provide disposable underwear for treatments. Our therapists are professionally trained and will appropriately drape areas of the body that are not a focus of the treatment.

Can I Talk?

Peace and tranquility are essential elements of a spa experience, but giving your spa therapist feedback, such as the strength of the massage, areas requiring more or less attention, music volume or room temperature is perfectly acceptable and will only enhance the enjoyment of your experience.

Taxes and GST

Please note that the charges quoted in this spa menu are exclusive of local taxes and other compulsory charges which will be added to your bill at the time of payment.

Payment

After the spa experience you will be asked to sign a receipt in order to charge the cost of services and products to your room bill.

Arriving Late

Arriving late for your appointment may require us to shorten the length of the treatment, so as not to inconvenience other guests, with full charges applied. We regret that late arrivals will not receive extension of scheduled appointments.

Cancellation

We kindly request that you advise us a minimum of 6hours prior to your appointment for cancellation or rescheduling requests. No-show guests or guests omitting to advise us in due time will be subject to 50% charge of total bill.
