WINE LIST

Noku Maldives has created a Wine List we believe will give you a great opportunity to explore several different wine regions in various countries and take you on a journey through the vineyards of these amazing wine growing lands.

We have made the choice of not displaying wines vintages, as we do regular vintage change over on our wines to ensure our wine list offers the best possible vintage available.

Please ask your waiter to confirm the vintage of the wine ordered should you wish to have this information.

**Wine makes every meal an occasion, every table more elegant,
every day more civilized...**
